

Asia Securities (Private) Limited is one of the nation's leading securities broking firms and is a full member of the Colombo Stock Exchange. We have been in business for over 25 years with top tier market share.

The company is the leading independent equity brokerage in Sri Lanka. Our established governance practices and our capability to secure high-level corporate access, makes us a preferred broker to many international and domestic institutions, international brokers, high net worth individuals and retail clients.

We provide best in class research reports on Market Strategy, Macroeconomics, Politics, Industry Sectors and Equities. Our research philosophy is founded on the three principles of Insight, Integrity, and Innovation to enable our clients to make informed and timely decisions in generating alpha.

## **INTERN - RESEARCH**

We are seeking a smart, driven individual to join our Research Team on a three-month internship. Supporting the Sector Analysts covering multiple industries, you will be responsible for:

- Conducting primary and secondary research
- Writing daily market reviews and commentaries
- Building financial models
- Writing investment notes
- Building and maintaining databases

Applicants should meet the following requirements

- Should be enrolled in an accredited university pursuing a degree in accounting, finance, economics or similar
- Strong written communication skills as well as presentation skills
- Passion for analyzing businesses
- Ability manage multiple projects

An attractive allowance will be offered to the selected candidates during the period of the internship.

Please send your resume with contact details of 02 non-related referees to reach us within 10 days of this advertisement, stating the post applied for in the subject line of the email to **[careers@asiasecurities.lk](mailto:careers@asiasecurities.lk)**
